CENIT STRUCTURAL ENGINEERS **REDUCED**
INVOICING
TIME BY **75%**

"Before Synergy, it used to take me two whole days to do monthly invoicing. Now it takes no more than half a day."

Brett Lucchesi - Owner/Director, Cenit [Structural engineers]

"Everything I need to know about the project is in one place."

Role(s) in the business?

Where do I start?

I'm the **DIRECTOR** wanting to see numbers and performance.

I'm the **NEW BUSINESS DEVELOPMENT MANAGER.**

I'm the **ADMIN** doing invoicing and synchronising everything to Xero.

I'm the **PROJECT MANAGER** who wants to track the probability of the project and budgeted hours versus actual hours.

Sometimes I get to do **ENGINEERING!** I do a bit of everything.

Core Synergy features used by Brett

Invoicing

Reporting

Projects

Xero add-on

Timesheets

Budgets

synergy BUSINESS AND PROJECT MANAGEMENT SOFTWARE **FOR ENGINEERS**
