

# How has Synergy helped to improve business for **MVL Architects and Surveyors**?

"Project portals, shared documents, project conversations... all the project information is in one place where the right people can access it"

**Chris Lelliott** - Director, MVL Architects and Surveyors

"Synergy replaces the need for old fashioned spreadsheets, emails, and long-winded meetings"

"Xero add-on removes the hassle of double entering and bookkeeping between two separate systems"

"Improved communication and collaboration between project team members and clients"

Cloud-based application means that Synergy can be accessed from anywhere, at any time. There is no need to log on to a server. Beneficial to a business that operates three offices (Hampshire, Surrey, Cardiff)

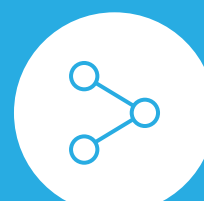

## Core Synergy features used by Chris

Invoicing

Projects

Project portals

Xero add-on
